Last Will and Testament

On this 18th day of May, nineteen hundred and fifty-one each individual in the Senior Class wills his most cherished and prized possessions, some happy to do so and others sorry to, to some friend, sister, brother, or anyone else who might have them.

Louise Bennett: very proudly wills her typing ability to Jack Webster.

Gloria Doschades: wills her battered-up old typewriter to Bonnie Thomas and anxious to get rid of it at that.

John Henman: with much satisfaction wills his English book, which he never used, to Bonnie Thomas.

DeWayne Hodges: wills the job of student-body president to anyone who thinks it's a snap.

Berneice Jensen: sadly wills her drinking ability to Bill Mann.

Norman Johnston: gladly wills his ability to get along with Miss Randall to Dean Shenton.

Ed Laird: wills his ability to grow a full beard to Charles Jeffery.

Judy Laird: wills her promptness to Bonnie Thomas; Wendell she keeps to herself, gladly.

Harry Lapioli: with satisfaction wills his meanness to Red Wagoner.

June Lemons: wills all the good times she has had in high school to one of next year's bashful freshmen.

Perdell McCurdy: thankful for not having another year to use it, wills the ink-throwing machine, the mimeograph machine, to anyone sucker enough to have it.

Don Shenton: wills all his chemistry and geometry ability to his little brother Larry when he gets in high school, and hopes he gets better grades in them than he did.

Lucy Thomas: glad to get rid of it, wills her ability to do shorthand to anyone sucker enough to have it; Lynn, she keeps for herself.

Dorothy Vadnais: wills her basketball ability to Shirley Vadnais; Don C. she keeps for herself.

Wendell Wagoner: wills his mischief making ability to Dean Shenton, as though he doesn't already have enough of it.

Sworn and subscribed this 18th day of May, nineteen hundred and fifty-one.

Class Prophecy

On May 18th, 1951, fifteen more seniors are going out into the world on their own as have many many other seniors in the past.

As I sit here wondering what to do, as usual, I see John Henman out there on his ranch at Iona, working much harder than he ever did in school, but Karen is down there too, so maybe that is the reason.

Berneice is now out on her own ranch at Kilsore, but she, you may be sure, doesn't miss any of those dances around the country, as she never did when she was attending "Good Old Clark High".

There is that studious DeWayne, who, between the hours that he spends overhauling his Ford so that he can still take Peggy a-courtin', and the time he spends with her, has but little time to spend taking care of his pigs. He is still doing quite well in the pig-raising industry.

Harry seems to wear a beard all the time now on his fancy farm up Humphrey way; it may be because he doesn't have time to shave it off. He has a group of boys from Clark High, as it is still called, teaching them all the new rules in basketball and all the other sports he participated in when he was going there.

Gloria is keeping house very well for Don, since she's been thinking about it for all these years, while he is the County Agent in Dubois and is showing very fine-looking stock now.

Louise is very busy now too, keeping books for Bill (Willes), now that he is out of the army and is working in their store, away up there in the canyon.

I hear say Ed is in a business all of his own down California way. He's got himself a nice chemistry shop and is also putting out some fine looking snow planes with all kinds of new fang-dangled motors. Don't you know that isn't the place to build them, Ed???? No snow down there, or are there other reasons????

June has finally moved up to Montana with Jay and is living happily on a ranch up there after all those wonderful days at Dubois.

I got a letter from Lucy the other day, and she and Lynn are still out there on Medicine Lodge and they are building a little more on their house each year in their spare time. They must have quite a house by now.

Dorothy is keeping herself busy while she's waiting patiently for Don (Craig) to return home from the army. One should just see the nice looking cattle and horses that gal has out there at Kilgore.

Norman and Kay (Lemons) have a nice place down in Mexico, his heart's desire now. He is the head manager in an office for a HILALGO. They seem to be making out very nicely down there.

It seems I heard the other day that Judy and Wendell are coming along fine out there at Birch Creek, with Wendell sowing the wheat and working in the hay crop every summer and Judy still studying away on her chemistry and using her little typewriter in her spare time. Good Luck, Judy.

Berdell McCurdy is making quite an advancement in the world. Every car that comes along and can't quite make it over Monida Pass, stops at Berdell's million dollar place for repairs and tune-up jobs and they sure get them too. Berdell's wife, who is a secret to everyone, stands back and looks on.

SENIOR CLASS

On May 13, 1951, Baccalaureate was held in the L.L.S. Church at Dubois, Idaho.

On the 18th day of May, nineteen hundred and fifty-one at 8:00 p.m. in the Clark County High School Gymnasium 15 seniors graduated. Ed Laird was President, DeWayne Hodges Vice President and Louise Bennett Secretary-Treasurer.

Others were Harry Lapicci, Berneice Jensen, Gloria Doschades, Judy Laird, Wendell Wagoner, Dorothy Vadnais, Don Shenton, June Lemons, Lucy Thomas, Berdell McCurdy, Norman Johnston, and John Henman.

The girls wore white caps and gowns with blue tassels and the boys wore blue caps and gowns with white tassels.

Blue and White were our senior class colors.

Gloria Doschades gave the Valedictorian address and Norman Johnston gave the Salutatorian address.

Songs were sung and the Commencement address was delivered. Awards were presented.

On November 17th, we held our last class dance, the Senior Ball. The theme of it was "Stars Are the Windows of Heaven." The gymnasium was decorated with blue and white crepe paper. Glen Squires Orchestra played for the occasion and was located in the middle of the south end of the floor. Ed. Laird, our class President and Susanne Riley led the promenade.

Refreshments were served by the senior's mothers in the home economics room.

Mr. Parrow was our senior class advisor.

The Junior Class consisted of Harry Lapicci, Louise Bennett, Gloria Doschades, John Henman, DeWayne Hodges, Berneice Jensen, Norman Johnston, Ed Laird, Judy Laird, Berdell McCurdy, June O'Neil, Don Shenton, Dorothy Vadnais, Wendell Wagoner, Jim Wilson, and Lucy Hatch.

We held our Junior Prom April 21, 1950. The theme of it was "Lilac Time." The gymnasium was decorated with purple and white streamers.

On the 9th of December 1949, we put on two one-act plays. The names of these were "An Orange Colored Necktie" and "A Lemon Pie for Andy."

On the 18th of November 1949 we held our Junior Jump. Our Junior Class advisor was Mr. Hodges.

During the years of 1948-1949 we were Sophomores. We held our Sophomore Hop on October 29th.

The students from Spencer, Kilgore and Medicine Lodge Canyon, because of the consolidation of schools, started coming to Clark High. Our new students were Louise Bennett, Dorothy Vadnais, Berneice Jensen, Harry Lapich, Wendell Wagoner and Lucy Hatch, during the latter half of the year, along with students who started high school with us; they were Gloria Doschades, John Henman, DeWayne Hodges, Norman Johnston, Ed Laird, Judy Laird, June O'Neil, Don Shenton and Jim Wilson.

In the fall of "47" Janie Barney, Gloria Doschades, John Henman, DeWayne Hodges, Norman Johnston, Judy Laird, Lorena Landacre, June O'Neil, Leo Robbins, Don Shenton and Jim Wilson started our enrollment as freshmen into high school. Louise Bennett was attending school that year at Wisner, Nebraska, Dorothy Vadnais and Harry Lapich at Spencer, Berneice Jensen at Sugar City, Wendell Wagoner at Battle Mountain, Nevada and Lucy Hatch at Driggs.

As freshmen at Dubois High we had two main class activities that year and these were our Freshman Frolic and our initiation.

JUNIOR CLASS HISTORY

We entered Clark High in September 1948, with an enrollment of 15. Our officers for our Freshman year were: Don Craig, President; Bonnie Thomas, Vice President; and Peggy O'Neil, Secretary and Treasurer. Our advisor was Joe Taylor. The initiation and our "Freshman Frolic" were the main events of the year.

As Sophomores, our enrollment was 12. Our officers for our Sophomore year were: Bonnie Thomas, President; Dean Shenton, Vice President; Peggy O'Neil, Secretary and Treasurer; Bonnie Thomas, Treasurer of the Student Body; and Bill Mann, Sophomore Representative of the Student Body. Our advisor was Mrs. Nelwirth. The main events of this year were the "Sophomore Shuffle", "Sophomore Hop", and initiating the Freshmen. Later in the year two of our class members moved away, Don Craig and Jerry Lucas.

As Juniors we started out with nine members; Richard Rose, Dick Edie, Dean Shenton, Joann Henman, Don Craig, Bonnie Thomas, Stanley Hoag, Jack Webster, and Peggy O'Neil. Peggy O'Neil was our President, Joann Henman, Vice President; and Bonnie Thomas, Secretary and Treasurer. Mr. Hodges was our advisor.

Bonnie Thomas was elected Vice President of the Student Body and Dick Edie was our Representative. Peggy O'Neil was chosen cheerleader all three years. Bonnie Thomas was also elected Basketball Queen of 50-51, and Peggy O'Neil was one of her attendants.

We had our Junior Jump November 6. It was a big success and was known as a "traffic dance".

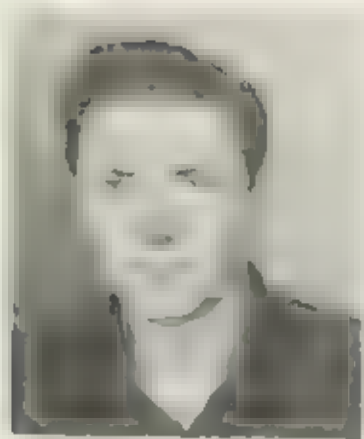

We had our Junior Prom in April, and it made us feel good to see everyone having a wonderful time.

We have all had a good time at Clark High in the last three years. We are sure that the last one will be just as successful.

SOPHOMORE HISTORY

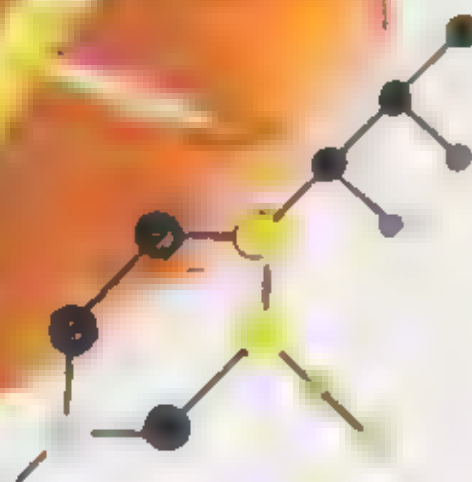

The Sophomore class of 1951 consists of 13 members. They are: Bill Mann, Barbara Williams, Aceille Laird, Joe Laird, Kyle Stoddard, Sydney Laird, Susanne Riley, Bennie Fayle, Bill Evans, Dean Edie, Elna Vadnais, Mac Wagoner, and Betty Ann Rasmussen. Our class officers for this year are Bill Mann, President; Barbara Williams, Vice President, Sydney Laird, Secretary and Treasurer; Aceille Laird is Sophomore representative on the Student Council.

During this Sophomore year we have had our annual dance which is known as the Sophomore Hop. We had our class advisor as our fortune teller. She was very good but in real life she is known to all the students as Miss Randall. She teaches our English class.

One of the most exciting things that has happened to the Sophomore Class was when we had our assembly. It consisted of a skit "Shooting of Dangerous Dan McGrew". The cast was Bill Evans as Dan McGrew; Barbara Williams; the lady known as Lou, Joe Laird, the bartender; Susanne Riley, the miner; Sydney Laird, the announcer; Bennie Fayle, and Dean Edie as card players; Betty Ann Rasmussen, the Kid; and Aceille Laird, a chorus girl.

For our Freshman year our class officers were: Joe Laird, President; Betty Ann Rasmussen, Vice President; Mac Wagoner, first half of the year, Secretary-Treasurer; Susanne Riley, the last half of the year, Secretary-Treasurer. We had our annual dance, known to all High School Students as the Freshman Frolic. Everyone came and had a nice time. That is where we earned our first class money. We were all quite excited. In our Freshman class we had 16 students, Joe Laird, Sydney Laird, Susanne Riley, Jim Thomas, Arthur Johnston, Verlee Robbins (half semester), Aceille Laird, Barbara Williams, Mac Wagoner, Betty Ann Rasmussen, Elna Vadnais, Bennie Fayle, Dean Edie, Bill Evans, Kyle Stoddard, and Joe Pringle. (half semester).

Miss Randall has been our class advisor for the past two years and we really appreciate her.

FRESHMAN HISTORY

On September 6, 1950, the Freshman of this county walked into Clark County High School not knowing which door to turn into and very unassured.

At first we were as lost as a worm in an apple cart, but finally we realized the upper classmen wouldn't harm us.

After we got situated we chose our class officers. Irene Stevens was chosen President, Robert Amy as Vice President; Janie Wagoner as Secretary-Treasurer; and James Thomas as class representative.

On September 27, 1950, we went through that terrible procedure every poor freshman has to go through--initiation.

There were girls flittering around in bathing suits; they must have been cold blooded; some people hadn't taken time to get dressed before coming to school and some hadn't even shed their winter "long handles".

Then came the Freshman Frolic. We sponsored it on Oct. 15, 1950. It proved to be quite a success.

This year we have 14 pupils in our class.

We hope everyone in the Freshman class has enjoyed his first year at Clark High and finds the next three years as successful.
